mass destruction, killing nearly 3,000 innocent people at
the World Trade Center, the Pentagon, and in
Shanksville, Pennsylvania;

Flight 11, American Flight 77, and United Flight 93
acted as first responders, providing the first information

about the unfolding attacks and selflessly protecting the United States and the lives of countless others;

Whereas ever since 9/11, pilots and flight attendants in the United States report to work with heightened responsibilities as first responders and as the last line of defense in aviation security; and

Whereas the bravery of the crewmembers 15 years ago and our crewmember heroes are prominent in the hearts and minds of the people of the United States; Now, therefore, be it
