10. Please tell us how this project meets the eligibility requirements of the subcommittee and account. *
CDS Guidance criteria can be found here. ⧉ It is critical that applicants follow all subcommittee guidance and criteria in order to
be eligible for funding. Ineligible and/or incomplete requests will not be funded by the Appropriations Committee.

11. Is this a construction project? *
Please note that very few subcommittee accounts can be used for construction. In nearly all circumstances, reimbursement of CDS
funds is considered ineligible. The date at which recipients receive CDS funding varies by federal agency, but the formal process of
disbursement has historically started 1-2 months after the date of enactment with actual disbursement occurring several months
thereafter. You must verify that you selected an appropriate subcommittee account that can be used for construction and that your
request meets all of the subcommittee's criteria.
