The Honorable Cindy Hyde-Smith  
Ranking Member  
Transportation, Housing and Urban  
Development, and Related Agencies  
Washington, D.C. 20510

Dear Chair Murray, Vice Chair Collins, Chair Schatz and Ranking Member Hyde-Smith:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2024 Transportation, Housing and Urban Development, and Related Agencies appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

Sincerely,

Edward J. Markey

**Markey, Edward(D-MA) Transportation Housing and Urban Development  
Congressionally Directed Spending Requests**

<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
Town of Acton	This project will reconstruct the roadway infrastructure and install a traffic signal at the intersection of Hayward Road and Main Street/Route 27. This project will catalyze community development by improving safety for all pedestrians, cyclists and vehicles in an area which is near a major route.	Acton MA	\$1,500
Town of Acton	The objective of this project is to implement accessibility and infrastructure improvements to facilitate the productive reuse of 19-21 Maple Street and to improve commuter parking and access to the South Acton MBTA Commuter Rail station.	Acton MA	\$750
Town of Arlington	The redevelopment of a centrally located park in Arlington. This project will address ADA accessibility, measures to insure climate resiliency, revitalization of the central business district following the COVID pandemic, and this park will serve as a major focal point and attraction in the town.	Arlington MA	\$2,000
Victory Programs, Inc.	This is a building project in the Boston area to ensure women in need of substance use recovery have equal access to residential recovery services while still being able to live with and care for their children.	Boston MA	\$2,500
Brigham & Women's Hospital	BTM is asking for \$600,000 to pay architecture/engineering costs towards a planned building near to the hospital that will provide short-term stability, and billable clinical and mental health monitoring to up to 20 high-risk pregnant and post-partum, housing-insecure women.	Boston MA	\$600
Hyde Square Task Force	The redevelopment of the Blessed Sacrament Church will bring new life to a historical landmark, increase access to much-needed affordable housing, and provide a new community hub for Bostons Latin Quarter district, located in the Hyde Square neighborhood.	Boston MA	\$1,000
Boston Housing Authority	The BHA is seeking to modernize and repair residential units at the Franklin Field public housing community. This project will address aging heating and mechanical systems, upgrade building wiring and make improvements to windows and ventilation to support long-term viability of the rentals	Boston MA	\$1,000

Boys And Girls Clubs of Dorchester, Inc.	The Dorchester Field House is constructing a community center for the children, teens, and families of Boston. Dorchester is Boston's most diverse neighborhood, and it is also one of its most under-resourced. The Field House's impact will replicate what Boys & Girls Clubs members achieve nationwide.	Dorchester MA	\$1,500
Work Incorporated and International Brotherhood of Electrical Workers (IBEW) Local 103	Funding will provide Work Inc and IBEW Local 103 with the necessary resources to redevelop a jointly-owned five-acre property located in Dorchester, beginning with community outreach and collaboration to ultimately determine the best use for these properties.	Dorchester MA	\$14,190
City of Everett	The City of Everett requests funds for a High-Impact Roof Replacement Project at the Old Everett High School on 548 Broadway in Everett. The existing stone ballasted roof has failed, and there are several leaks through it and the heating and cooling equipment.	Everett MA	\$5,325
City of Fall River	The City of Fall River proposes to rehabilitate the aging Robert J. Nagle Auditorium of the former Durfee building into a community performing arts center that will host concerts, plays, orchestral performances, and dance competitions in order to support local arts and culture.	Fall River MA	\$4,000
City of Fall River	The City proposes to implement a streetscapes improvement project along Pleasant Street to beautify and improve existing infrastructure in the Flint, thereby supporting community activation and economic development by making the neighborhood more welcoming .	Fall River MA	\$5,000
The Woods Hole, Martha's Vineyard and Nantucket Steamship Authority	The Steamship Authority has launched a shuttle bus replacement program to convert its entire diesel-powered shuttle bus fleet to electric shuttle buses.	Falmouth MA	\$2,000
NewVue Communities	NewVue Communities is redeveloping three vacant, blighted historic municipal buildings into 68 units of mixed-income artist-preference housing. housing. The Fitchburg Arts Community is a vital project in the City's efforts to create affordable housing.	Fitchburg MA	\$1,000
Fitchburg Public Library	The Fitchburg Public Library's Building Renovation is an ambitious project to upgrade the existing facility to create a state-of-the-art library that will continue to serve the residents of Fitchburg, draw people to downtown Fitchburg, and provide economic and cultural benefits.	Fitchburg MA	\$1,000
MetroWest YMCA	To build a Regional Early Learning Center to serve as a key component of a new regional YMCA for the communities of Ashland, Framingham, Hopkinton, Holliston, Sherborn and beyond. Funding would create an Early Learning Center providing affordable full-day/year, licensed and accredited childcare	Framingham MA	\$5,000
South Middlesex Opportunity Council	SMOC seeks to acquire the Days Inn Hotel located in Leominster. In 2021, SMOC began operating emergency shelter out of the Days Inn in response to increased need for shelter during the pandemic. We serve low- to mediam-income persons exclusively, located near predominantly LMI neighborhoods.	Framingham MA	\$4,850

Community YMCA of Greenfield (DBA Franklin County's YMCA)	Our pool is a vital resource for safety around water for Franklin County, especially for education and development of skills necessary to prevent drowning and other water-related tragedies amongst children and teens.	Greenfield MA	\$746
City of Haverhill	The City of Haverhill is seeking federal funding to help support the Downtown Gateway Redevelopment Project. As part of a larger mixed-use economic development and community enhancement project, the City seeks support to construct a multi-season public plaza that complies with ADA standards.	Haverhill MA	\$2,200
MASSACHUSETTS INTERNATIONAL FESTIVAL OF THE ARTS INC	This funding would be used by the Massachusetts Festival of the Arts (MIFA) to rehabilitate Holyoke's Victory Theatre and transform this blighted property in the heart of the community into the MIFA Victory Theatre Center for the Performing Arts.	Holyoke MA	\$4,000
YMCA Cape Cod	Our project will create a modern, vibrant gathering hub for all, providing wellness, recreation, and a safe place for youth on the Upper Cape. The design features welcoming social gathering areas and space for community activities and programs.	Hyannis MA	\$5,000
Lawrence CommunityWorks, Inc	The Marriner Commercial project is part of a 450k square foot mill along North Broadway and adjacent to an exciting planned Rail Trail. LCW has sold a portion of the building to a developer creating 98 affordable units, and is partnering with The Community Builders to create nearly 150 more.	Lawrence MA	\$1,000
Groundwork Lawrence	The purpose of this project is to renovate Rowell Park, a 40,000 SF open space in Lawrence's Arlington neighborhood.	Lawrence MA	\$600
City of Leominster	The City is proposing to build a 2500 square foot community center in the heart of our environmental justice neighborhood. The center will serve as a nexus for general meeting space for organizations that serve the EJ area, after school programs, employment and training opportunities.	Leominster MA	\$750
Merrimack Valley Housing Partnership	The Merrimack Valley Housing Partnership (MVHP)'s overall goal is to expand pathways to homeownership as a way for people to build equity and wealth for themselves and their families' future generations.	Lowell MA	\$159
Boys & Girls Club of Greater Lowell	This project will allow the Boys & Girls Club of Greater Lowell to create access to the programs and opportunities needed to have a better future. It will increase the capacity to 600 youth and teens per day. It will address current space constraints as well as facility issues that require repairs	Lowell MA	\$2,477
North Shore Community College	North Shore Community College (NSCC) requests funding to modernize and expand science labs on our campus in the Gateway city of Lynn, MA.	Lynn MA	\$1,000
City of Lynn	This upgrade would allow the fire department to modernize their ability to store clean and maintain their apparatus and gear. In addition, the upgrade would allow fire department to maintain its viability for the upcoming decades.	Lynn MA	\$4,188
Trustees of the Grand Army of the Republic Hall and Museum	The Grand Army of the Republic Hall and Museum is a city-owned building managed by the Trustees of the G.A.R. The Trustees and the City are working together on capital improvements to make the building universally accessible, repair its deteriorating façade, and ensure its long-term preservation.	Lynn MA	\$1,000
Volunteers of America Massachusetts, Inc.	To create permanent supported housing for formerly homeless veterans in the City of Malden	Malden MA	\$1,300

City of Malden	Malden plans to purchase a 6.7 acre portion of the former Malden Hospital property from Tufts Medical and turn it into a new park for city residents. Tufts Medical will use the remainder of the property to build a 144-bed behavioral health facility.	Malden MA	\$1,500
Mystic Valley YMCA	The Mystic Valley YMCA is requesting \$2,500,000 to fund the relocation of both the Mystic Community Free Food Market and Medford Youth Center to a new, shared location in Medford.	Malden MA	\$2,500
City of Malden	The Malden River Works project will transform Malden's Department of Public Works yard on the Malden River to incorporate a public, climate resilient riverfront park. This project will create the first ever public park on the Malden River and incorporate nature-based climate mitigation measures.	Malden MA	\$1,560
Mashpee Wampanoag Tribe	This project proposes the construction of a 6,650 square foot (sf) childcare facility. This project will address the Mashpee Wampanoag Tribe's desperate need to make available to its citizens early childhood education for children ages six weeks to five years old.	Mashpee MA	\$1,000
2Life Communities	For the creation of the Brooke House Village Center. This 8,000 square foot multi-generational community space located on the ground floor of the Brooke House will welcome all members of Olmsted Village and the greater Mattapan community.	Mattapan MA	\$1,000
City of Medford	The City is without a community space dedicated to residents' needs during an emergency response. We are also seeking to develop community based resiliency hubs for residents during climate emergencies in strategically placed locations throughout the city.	Medford MA	\$2,500
MetroWest Regional Transit Authority	This project will provide MetroWest Regional Transit Authority (MWRTA) with ten 30' foot CNG vehicles to support a continued transition to no-low emission vehicles while also providing the authority with additional passenger capacity for routes nearing or exceeding capacity.	MetroWest Regional Transit Authority MA	\$6,800
NorthStar Learning Centers LLC	This state-of-the-art Early Education & Community Center will be built on an abandoned lot in New Bedford's South End; groundbreaking July 2023. This Center will consolidate two early education sites into one, improve operational/financial efficiencies, reduce blight, expand NorthStar's enrollment.	New Bedford MA	\$2,000
City of Newton	Funding will support and expand Newton's affordable, inclusive public transportation system, NewMo. NewMo uses state-of-the-art microtransit technology to deliver dynamically routed shared rides.	Newton MA	\$2,045
City of North Adams	North Adams Adventure Trail is a pedestrian/bike path through the City connecting to existing regional trails. It will creatively link community assets and increase access to nature resources. Addressing community needs of economic vitality, alternative transportation, public wellness, and climate.	North Adams MA	\$1,265
Merrimack College	Merrimack College seeks to expand the Hands to Help Food Recovery Network through increasing the size and functionality of our existing kitchen space, which currently provides 160 meals per week to families and individuals in the Lawrence and greater Merrimack Valley community who are food insecure.	North Andover MA	\$200
Cooperative Development Institute	On behalf of the residents of Pine Tree Village, the Cooperative Development Institute (CDI) seeks funding for a water distribution system replacement project. The community's current drinking water is unsanitary because it is drawn from shallow, substandard wells and run through aging pipes.	Northampton MA	\$2,000

Martha's Vineyard Camp Meeting Association	The Tabernacle is a historic national treasure and a central part of the Martha's Vineyard Camp Meeting Association (the "MVCMA") property located in Trinity Park, Oak Bluffs. The MVCMA is now in the fifth stage of the Tabernacle restoration that began in 2002.	Oak Bluffs MA	\$2,000
Lower Cape Housing & ADU Resource Center	This funding request will provide for the development of year-round housing on the Lower and Outer Cape and provide additional support for the unprecedented level of need in our community. Seven of these 8 towns are considered rural communities by the US Dept of Agriculture.	Orleans MA	\$1,100
Cape Cod Village, Inc.	Cape Cod Village seeks \$434,395 to create sustainable, community accessible, self-guided therapeutic recreation activities. Featured are 10 exercise/sensory stations; 3 adult electric tricycles; and 3 shaded rest areas where participants can gather, picnic, or just relax together out of the sun.	Orleans MA	\$434
Habitat for Humanity of Greater Plymouth, Inc.	This project will result in the production of ten new affordable homes for low-income residents in Plymouth, Carver, Kingston, Middleboro and Plympton, all of which are critically lacking in affordable housing stock to support our workforce and low-income households.	Plymouth County MA	\$2,300
South Shore YMCA	Our project budget includes \$200,000 for soft costs/design of a new 2,000 square foot food pantry on the rear façade of our existing facility and the reconfiguration of the current food pantry space for use as early education/childcare space.	Quincy MA	\$1,000
City of Revere	Revere designed a resilience and recreation plan for Gibson Park, the future Community Boating Center (CBC), and Mills Ave located in the Riverside Neighborhood. Flooding issues in the area occur during high-tide storm events when outfalls are submerged.	Revere MA	\$2,000
LGBTQ Senior Housing, Inc.	The Pryde will be the first LGBTQ-welcoming affordable senior housing development in Massachusetts, fulfilling a massive unmet need. We will provide housing opportunities for a wide range of seniors ranging from 30% AMI to 100% AMI while also having set asides for formerly homeless & individuals wi	Roslindale MA	\$2,000
Children's Services of Roxbury	Children's Services of Roxbury (CSR) will transform three buildings (50,000 square feet) into a Center for Family Well-being, creating 107 new permanent jobs for people of color, scaling statewide services for low-income children and parents by 25%.	Roxbury MA	\$5,000
Essex National Heritage Commission, Inc	The Border to Boston Trail is a 70-mile, shared use trail that links 20 communities from the New Hampshire border to Boston. The trail is being built for non-motorized uses including walking, bicycling, and more. Receiving Community Project Funding FY24 will greatly assist in the planning, design, a	Salem MA	\$840
City of Somerville	The Highland Avenue Streetscape Project will create a vibrant, vital streetscape that enhances economic development by moving more residents more quickly and safely to businesses along this major thoroughfare.	Somerville MA	\$1,737
City of Somerville	The West Broadway Vision Zero Implementation Project will create a vibrant and diverse streetscape with improved access to shopping and community services for residents, business owners, bicyclists, pedestrians, motorists, and others.	Somerville MA	\$801
Community Action Agency of Somerville	(CO&A) works with residents to eliminate the root causes of housing, racial, and economic injustice. We are dedicated to educating, organizing, and empowering residents who are the most oppressed from accessing power and at-risk of displacement from Somerville, especially low-income and immigrants.	Somerville MA	\$350

Center of Hope Foundation, Inc	The Center of Hope Foundation is seeking funding to renovate and modernize its facilities including Day and Employment Programs and Independent living Support Units with upgrades to safety, security, HVAC systems and more to better serve 500+ individuals with developmental and other disabilities	Southbridge MA	\$1,200
Springfield Jewish Community Center:	This project will provide funding for facility renovation and expansion of early childhood and K-8 childcare spaces. As a result of facility expansion, we'll serve about 35 more pre-school children (some of whom are from traditionally underserved communities) and their families/caregivers,	Springfield MA	\$1,000
Boston Scores	To build a world-class recreation and education campus which will include: a multi-field turf soccer facility, mini-dash pitch, community gardens, outdoor classroom, playground, and related facilities; Upgraded classrooms, coach training facilities, and offices.	Suffolk County MA	\$1,664
Northeastern University	This funding will support necessary improvements and upgrades to the Parsons Field fieldhouse structure and baseball dugouts.	Suffolk County MA	\$1,551
Boys & Girls Clubs of Metro South, Inc.	Boys & Girls Clubs of Metro South, Boys & Girls Club of Fall River, and Boys & Girls Club of Pawtucket are three of the preeminent youth development organizations serving Southeastern Massachusetts.	Taunton MA	\$6,000
