Washington, D.C. 20510

The Honorable Chris Murphy
Chairman
Homeland Security
Washington, D.C. 20510

The Honorable Katie Britt
Ranking Member
Homeland Security
Washington, D.C. 20510

Dear Chair Murray, Vice Chair Collins, Chair Murphy and Ranking Member Britt:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2024 Homeland Security appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Sincerely,

Edward J. Markey

**Markey, Edward(D-MA) Homeland Security
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Acushnet Office of Emergency Management	The purpose of this project is to modernize and expand the Emergency Operations Center within the Town of Acushnet, as well as upgrade the communications equipment.	Acushnet MA	\$5,000
Berkley Police Department	The implementation of the Emergency Operations Center will allow, for the first time, a true command post for the town in a crisis. This will allow Police, Fire, and Emergency Management a place to have a unified command while emergency upgrading portable radios.	Berkley MA	\$140
Boston Soccer 2026 Corp.	Boston Soccer 2026 Corp. is seeking security funding as it begins its preparations for the 2026 World Cup.	Boston MA	\$3,000
City of Brockton	The Brockton Emergency Operations Center (EOC) is a component of the City's new Public Safety Complex, which is slated to be complete in August 2025. The EOC addresses multiple areas of need in Brockton by combining the operations of the Police, Fire, IT, and Emergency Management departments.	Brockton MA	\$2,500
Town of Hingham	Hingham's Public Safety Facility will be home to the Hingham Police Department Headquarters and the North Hingham Fire Station. The PSF will house the Emergency Operations Center.	Hingham MA	\$226
Town of Hull	This project will protect critical sewer infrastructure, an elementary school and more than 12 homes while enhancing public access on a popular walking route along the shoreline.	Hull MA	\$8,550
Town of Hull	This project will provide flood and shoreline protection to more than sixty homes, a Fire Station, Town Hall, a senior center, an Emergency Operations Center, a stormwater pumping station, and infrastructure. This is the first phase and basis of flood protection to a large area with over 600 homes.	Hull MA	\$24,000
Town of Lynnfield	The Town of Lynnfield is seeking funding for equipment costs related to a dedicated emergency operations center (EOC) for the town of Lynnfield. The town does not currently have a dedicated and functional EOC.	Lynnfield MA	\$938
City of North Adams	The purpose is to fund improvements to an established EOC to support 8 communities, two institutes of higher education, Berkshire Health Systems, multiple housing authorities and medical facilities along with a broad spectrum of critical infrastructure consistent with Homeland Security directives.	North Adams MA	\$100
City of Northampton	The City of Northampton seeks funding to replace outdated equipment at the Hockanum Pumping Station and rehabilitate the building structure. Extreme weather events threaten the city's infrastructure, and the Station is critical to the evacuation of floodwaters from the city interior.	Northampton MA	\$2,650
Town of Norton, Ma. Emergency Management Agency	Norton is currently in the process of building a new Town Hall to be occupied late 2024. Norton E.M.A. has determined that to best serve the community, the EOC should be relocated to a conference room in the new building that is more secure, technologically advanced, and handicapped accessible.	Norton MA	\$49
City of Taunton	The Gateway City of Taunton, Massachusetts is seeking federal funding to reestablish an Emergency Operations Center (EOC). Taunton is in dire need of a centralized location to provide direction and control to public safety personnel during emergencies.	Taunton MA	\$3,000
Town of Holland	The Hamilton Reservoir Dam sits in a Federal Flood Plain District and recently has been inspected and a report generated noting deficiencies, some immediate.	Town of Holland MA	\$610
